[ECIM23 ABSTRACT BOOK](#) 15-18 March, 2023 Athens, Greece

21st European Congress of
Internal Medicine (ECIM) joint with the 12th International
Congress of Internal Medicine

Why Attend

Following a history of successful meetings, the Joint European Congress of Internal Medicine and the International Congress of Internal Medicine will offer a great opportunity to acquire expert knowledge, learn and share successful experiences, discuss the latest breakthrough in clinical areas related to internal medicine, expand your network and benefit from meeting colleagues from around the world.

This conference is tailored for internists and general internal medicine specialists. ECIM 2023 will bring together physicians, young researchers and leaders in the field, and provide them with a lively platform to learn and share their knowledge and views.
