# Important Information for Sponsors and Exhibitors

Dear Exhibitor,

This Exhibitor Services Manual contains important information and is designed to assist you in preparing for the **pain 360** Exhibition.

The Exhibition will be held as part of the pain360 which will be held at the beggining of 2022 in Vienna, Austria ( Dates to be confirmed)

Please read all the information in this manual. It will take you very little time now and could save you a great deal of time later.

Please forward this manual to everyone who is working on this project, including your stand builder, as it contains useful information about the Meeting.

The floor plan has been designed to maximize the exhibitor's exposure to the delegates.

We recommend Exhibitors using independent booth contractors to include a site visit in the planning process to assure a smooth and well planned set up. Please contact Sascha Tretenhahn of the Austria Center Vienna at: sascha.tretenhahn@acv.at

#### **Exhibitors and Supporters Portal**

Each exhibitor/supporter has received an e-mail with login details to access the Portal. The Portal enables Supporters and Exhibitors to:

## "K-Lead" Application — Barcode Scanner Application

Lead Retrieval systems are a helpful tool for receiving participants' contact information when they visit your booth. The information obtained by lead retrieval system enables Exhibitors to enhance their database by securing valuable

leads for further marketing and communication.

We are pleased to offer you the "K-Lead" Application: exhibitors can download the "K-Lead" app onto their own smart phone or tablet and transform their device into an instant, easy lead retrieval system and capture participants' full contact information with a quick scan of their badge.

The advantages of the "K-Lead" application:

- Effortless process using registration badge barcode.
- Allows to immediately view the leads information.
- Ability to insert exhibitor's comments for each lead.
- Application is available for download from Apple store or Google play: "K-Lead App".
- Cost per unit EUR **400** (exluding 4% credit card charges fees, excluding VAT if applicable)
- Cost per unit + hardware EUR **600** (exluding 4% credit card charges fees, excluding VAT if applicable)

The Application should be installed on your company/personal device. Operational information will be sent in due course.

To order "K-Lead" Application, please access the Exhibitor's Portal <a href="https://exhibitorportal.kenes.com">https://exhibitorportal.kenes.com</a>

Deadline: Monday, November 15th, 2021

#### Please note:

• In light of the new **data protection regulation** recently enacted in Europe, Kenes Group has updated its privacy policy. You can view our updated privacy notice <a href="here">here</a>. Kenes will not share delegate's personal data with third parties without their consent.

Please note that similarly to sharing a business card, presenting delegate badge for scanning at exhibition booths or industry symposia constitutes an expression of consent to share their personal details with the company

that is scanning their badge so that it may contact them in the future.

- •Barcodes on delegate's badges contain contact information as supplied by the delegate or the agency responsible for the registration process of the delegate. We regret that in some cases, as when group registration is completed by a company, we may not be in possession of the full contact details.
- In addition, please note that neither Kenes Group nor the Organising Committee is responsible for the content of the information.
- Device is not included. If you wish to rent a device,
   please check with us cost and stock availability.
- Mini Scanners devices are available for Symposia only.

#### **Exhibitor Badges**

Each exhibiting company is entitled to free exhibitor badges. The amount of free exhibitor badges is stated in your contract and determined by your stand size.

Two exhibitor badges will be given for the first 9 sqm booked and one additional badge for each 9 sqm after.

Exhibitor badges will be prepared for you to **collect on-site** (they will not be mailed in advance).

Exhibitor badges are generic and state **the name of the company only**, in order that they may be used interchangeably between staff members. Therefore, there is no need to submit individual names.

Exhibitors are required to access the Exhibitor's Portal and provide the name of the company they wish to be displayed on the badges (otherwise the company name as appear on your application form will be printed on the badge).

Any additional exhibitor badge will be charged an exhibitor registration fee of €120 each. If you require additional

exhibitor badges, please contact the **Registration manager**, **Revital Michaeli** at rmichaeli@kenes.com.

### Access to the Exhibition Hall during Setup and Dismantling Times

All company representatives are required to wear exhibitor badges to access the Exhibition. Company representatives not wearing their badges will not be allowed to access the Exhibition. Exhibitor badges are for the use of company personnel manning the booth and should not be used to bring visitors to the Exhibition.

Stand builders and staff must wear service passes during the entire set-up and dismantling period. Service Passes are free of charge and may be collected from the Exhibition Manager Desk on-site.

## Rules and Regulations — Binding for All Exhibitors and Their Subcontractors

#### **Animals**

It is not permitted to bring animals into the venue.

#### **Build-Up & Dismantling Period**

- During the period of build-up and dismantling, it is prohibited to consume alcoholic beverages in the working area as well as to perform work under the influence of alcohol and drugs.
- The Exhibitors and contractors are required to wear the necessary personal protective equipment such as safety footwear, protective helmets, eye protection, and hand protection required by the specific work activity.

#### Children

No person under the age of 16 years can be admitted to the Exhibition, either during build-up, open days or breakdown.

This rule also applies to Exhibitors' children and must be rigidly enforced to comply with the safety regulations of the exhibition.

#### **Compressed Gases**

Use of compressed gases is not allowed.

#### Damage to the Building

Exhibitors are liable for all damage caused to floors, walls, and pillars during the installation, Exhibition, and dismantling periods. No adhesive stickers and fixtures of any kind are allowed on floors, walls, and pillars.

#### Disposal of Material

It is obligatory to collect and dispose of all material during the build-up or dismantling of the exhibition. When the dismantling period is over, the exhibitor loses any right to claim losses or damage to property left behind. Any costs incurred by the venue in removing this property will be charged to the exhibitor.

#### Fire Regulations

- Booth material and fittings must be non-flammable or impregnated with fire-retardant chemicals.
- As a general rule, easily inflammable synthetic substances, foam polyester, and no fireproof straw and reeds are prohibited.

#### Fire Insurance (compulsory)

Exhibitors must be insured against fire.

#### **Health & Safety**

- It is the responsibility of the booth holder to ensure the health, safety and welfare of all employees, contractors and visitors as far as is reasonably practicable throughout the event.
- It is recommended that the booth holders appoint a

supervisor for the booth, with the specific responsibility for ensuring the health & safety of their staff and stand builders. It is advisable that a Risk Assessment is completed for the booth and submitted to the organisers.

#### Hanging of Posters, Banners etc.

Hanging of posters, banners or decals, stickers or similar items, on the walls, floors, ceilings, or pillars within or outside the installations of the venue are not allowed without a prior written authorisation.

#### Insurance (compulsory)

- Neither the organisers nor the venue, their representatives or agents will be held responsible for any loss or damage to exhibitor's property. Exhibitors must take precautions to protect their property against pilferage.
- The organisers do not provide insurance for exhibitors and their property. The exhibitor is responsible for his property and person and for the property and persons of his employees through full and comprehensive insurance and shall hold harmless the organisers for any and all damage claims arising from theft and those perils usually covered by a fire and extended-coverage policy. Therefore, you are obliged to have a **public liability insurance** that covers all injuries to persons and damages that might cover in connection with the exhibition.
- Exhibitors are personally liable for all expenses incurred by the organisers or by third parties in regard to technical services provided.
- We also recommend that you have additional coverage against loss or damage to exhibition material during transport and during exhibition times. Please make arrangements for insurance coverage through your company's insurer.

#### Liability

- Exhibitors are responsible for all property damage as well as any loss or injury caused by their property, agents or employees. Companies will indemnify the organisers against all claims and expenses arising from any damages.
- If for any reason whatsoever the Exhibition needs to be abandoned, postponed, or altered in any way, either in whole or part, or if the organisers find it necessary to change the dates of the Exhibition, the organisers shall not be liable for any expenditures, damages or loss incurred in connection with the Exhibition.
- The organisers shall further not be liable for any loss which the Exhibition or Exhibition contractors may incur due to the intervention of any authority which prevents or restricts the use of the venue or any part thereof in any manner whatsoever.

#### Music (Authors and publisher rights)

Please note that the organiser have no copyright responsibility in respect of any exhibiting company. Exhibitors are reminded that third party copyrights should not be infringed.

Proper dispensation must be obtained and any royalties due, paid prior to the use of materials. Should any copyright dispute arise, the organisers will not be liable for any resulting loss or damages, sustained by any exhibitor or third party.

#### **Promotional Activities**

- All demonstrations or instructional activities must be confined to the limits of the Exhibition booth.
- Advertising material and signs may not be distributed or displayed outside the exhibitor's booth.
- Advertising activities must not cause obstructions or disturbances in the gangways or at neighbouring booths.

- Sound equipment must be regulated and directed into the booth so that it does not disturb neighboring exhibits.
- The Exhibition Manager reserves the right to require the exhibitor to discontinue any activity, noise, or music that is deemed objectionable.

#### **Special Effects**

Special effects lighting, live music, smoke and laser projection may not be used in the booths.

No permission will be given for projection in the aisles or on the walls of the hall.

#### **Smoking Policy**

The *Sheraton* operates a NO SMOKING policy in all halls and the entire premises.

#### Waste Removal

Exhibitors are responsible for the removal of all refuse/waste from the Exhibition area. Any discarded waste, including promotional material, left behind will be removed by the organisers at the expense of the exhibitor concerned.

Participation by exhibitors is dependent upon compliance with all rules, regulations and conditions stated herein.

#### **Exhibition Floor Plan & List of Exhibitors**

The floor plan has been designed to maximize the exhibitor's exposure to the delegates.
